**Remove. Clear away obstacles.** Entrenched biofilms and unwanted organisms can create an obstacle that requires outside assistance. The vital first step is to clear away irritants, unwanted microbes, and biofilms – allowing the body's innate restorative ability to go to work.

### Biocidin® LSF

Broad-Spectrum Liposomal Formula

SUPPORTS MICROBIAL BALANCE\* | DISRUPTS BIOFILMS\*

### Description

What happens when microbial imbalances are hard to reach or urgent? Liposomal technology delivers. That's why we partnered with Quicksilver Scientific® – industry leader in liposomal technology – to create Biocidin® LSF.

The botanicals in Biocidin® LSF are suspended in a unique sunflower phospholipid formula for advanced absorption. Not only that, the unilamellar vesicles of 100 nm or smaller particle size are small and stable. Expanding the benefits of our legacy Biocidin® Botanical Blend to the systemic level.

Biocidin® LSF contains the same potent, broad-spectrum botanical blend as Biocidin® Liquid. But research shows the migration of liposomal Biocidin® across the cell wall (transcellular absorption) is 74% higher than Biocidin® Liquid.<sup>1</sup>

Why is that important? Because sometimes microbial imbalances happen outside the gut. Dysbiosis can be systemic, and that includes inside our cells. Biocidin® – made even more bioavailable with fast delivery throughout the body.

Need the microbial balancing activities of Biocidin® but at a deeper level? Biocidin® LSF is the powerhouse you're looking for, wherever and whenever you need it.

<sup>1</sup>Karvonen, K., & Gilbert, L. (2018). Effective killing of *Borrelia burgdorferi* in vitro with novel herbal compounds. *General Medicine Open*. 2. 10.15761/GMO.1000153.

### Benefits

- Rapid and systemic delivery
- Broad-spectrum activity\*
- Dismantles biofilms\*

- Supports gut health by addressing unwanted organisms\*
- Promotes mental clarity and vitality\*
- Immunomodulatory activity\*
- Promotes a healthy inflammatory response\*

## Features

- Contains Biocidin® Botanical Blend, made with 99% organic ingredients
- Liposomal formula for enhanced absorption
- Professional-grade ingredients
- Laboratory tested, clinically researched, and trusted by practitioners
- Pleasant taste appeals to children and adults

## Suggested Use

Start with 1 pump per day and gradually increase to three times per day or as directed by your healthcare professional. Hold under tongue 30 seconds before swallowing. May be added to water. Best taken on an empty stomach 10 minutes before meals. Best if used within 60 days of opening.

**Warning:** Not recommended for use during pregnancy. Consult your physician before using any supplement, especially if you are nursing, have a medical condition, or are taking medication. Discontinue use should adverse reactions occur. Keep out of reach of children.

**Store in a cool, dry place.**

## Ingredients

### Proprietary Herbal Blend:

Vegetable glycerin<sup>‡</sup>, Biocidin® Botanical Blend (Vegetable glycerin<sup>‡</sup>, Bilberry fruit extract, Grape seed extract, Shiitake mushroom extract<sup>‡</sup>, Goldenseal root<sup>‡</sup>, Noni fruit extract<sup>‡</sup>, Garlic bulb<sup>‡</sup>, White willow bark, Milk thistle seed<sup>‡</sup>, Echinacea purpurea herb extract, Echinacea angustifolia root<sup>‡</sup>, Raspberry fruit<sup>‡</sup>, Black walnut hull, Black walnut leaf, Lavender oil<sup>‡</sup>, Oregano oil<sup>‡</sup>, Galbanum oil, Tea Tree oil<sup>‡</sup>, Fumitory aerial parts extract, Gentian lutea root<sup>‡</sup>)

**Other Ingredients:** purified water, ethanol (sourced from sugar cane), tocopherols, natural mixed tocopherols

<sup>‡</sup>Organic

**Contains walnut.** This product is made without dairy, gluten, soy, corn, animal products, artificial coloring or flavoring.
