Remove. Clear away obstacles. Entrenched biofilms and unwanted organisms can create an obstacle that requires outside assistance. The vital first step is to clear away irritants, unwanted microbes, and biofilms – allowing the body's innate restorative ability to go to work.

Biocidin® Liquid

Broad-Spectrum Liquid Formula

SUPPORTS MICROBIAL BALANCE*

DISRUPTS BIOFILMS*

Description:

When dealing with gastrointestinal and systemic imbalances, Biocidin® isn't your only choice, but it might be the best one. Why is that?

Because wherever dysbiosis plays a role, Biocidin® cuts through the complexity. Clearing away irritants, unwanted microbes, and biofilms.* Offering powerful, effective, proven support – for over 30 years.

This unique microbial-balancing formulation is our signature Biocidin® Botanical Blend. Made with 99% organic ingredients, it combines 18 botanical extracts and essential oils. The result? One of the most effective natural formulations ever tested by Great Smokies Diagnostic Laboratories (now Genova Diagnostics). And it continues to be substantiated by clinical trials, case studies, and ongoing research.

Biocidin® targets the entire GI tract and more. It helps to maintain the delicate balance of microorganisms in the microbiome.* Its far-reaching effects include support for biofilm cleansing, immunomodulation, healthy digestion and elimination, and detoxification.* And not only does it work in the gut, it reaches the entire body for a myriad of applications.

To address the needs of every patient, our Biocidin® Botanical Blend is available in three formulations depending on your therapeutic target – original liquid, convenient capsules, and the liposomal formulation for advanced absorption
